

San Antonio's 2020 Transit Victory

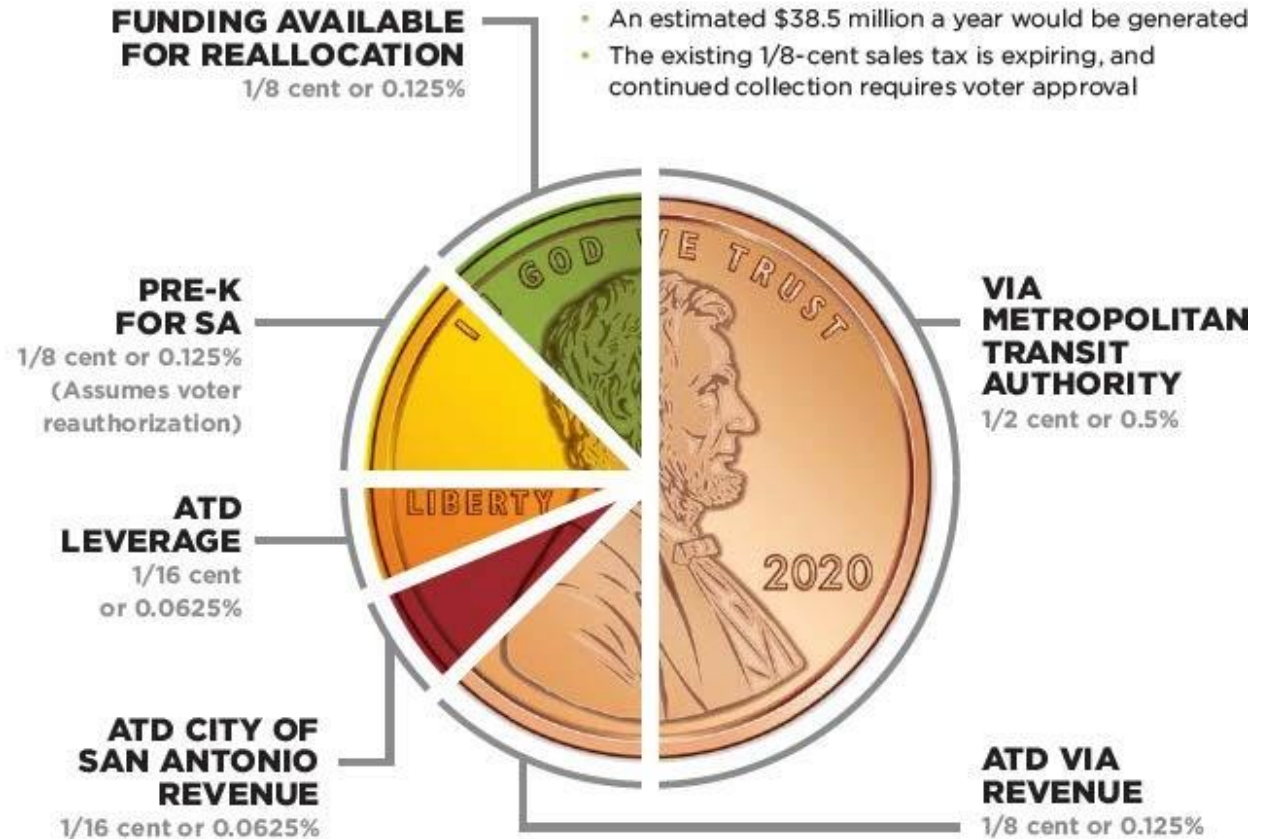

Not How We Planned It, But We Won

UNDERSTAND PROPOSED FUNDING

1977: Texas Legislature authorized up to 1% local sales tax for transit

PENNY SALES TAX ALLOCATION

Mayor, VIA battling over future funding for local bus service

KEEP SA MOVING

A PLAN TO CONNECT PEOPLE TO JOBS AND OPPORTUNITY

FASTER CONNECTIONS | SHORTER TRAVEL TIME BENEFITS

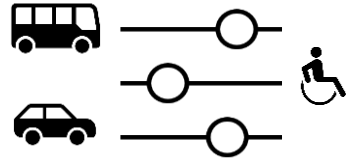

42% more San Antonians will have increased access to frequent bus service that runs every 15 mins. or better during peak hours.

THINGS TO REMEMBER

Improve the System

Connect more people to more places with additional options by offering more frequent and reliable transit service. Focus on innovation

Expand Mobility Options

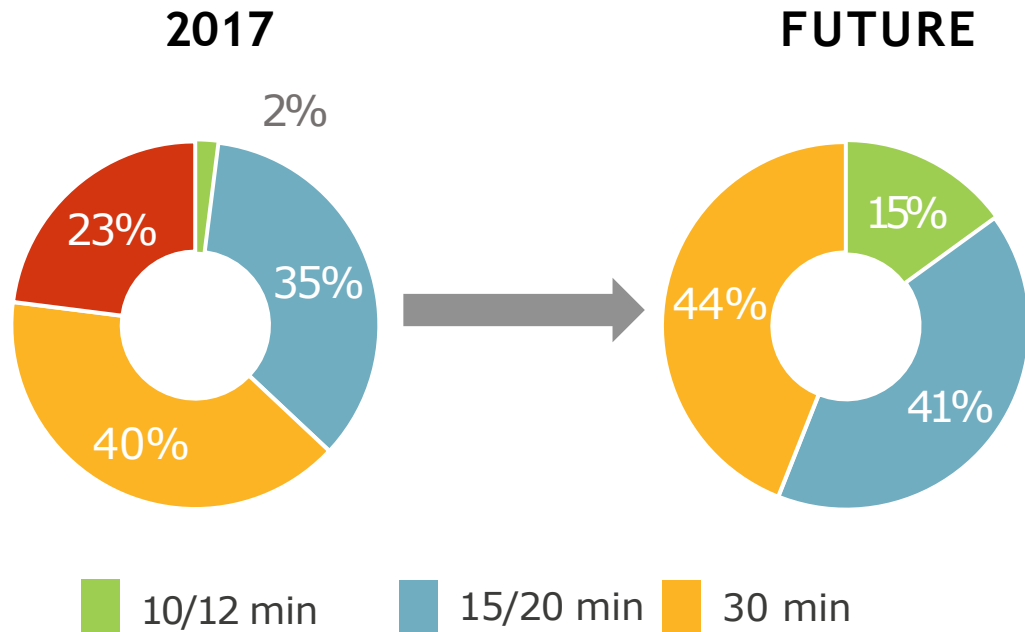

- Make more trip options available to fit different and specific needs.
- More MOD.

Invest in Capital and Technology

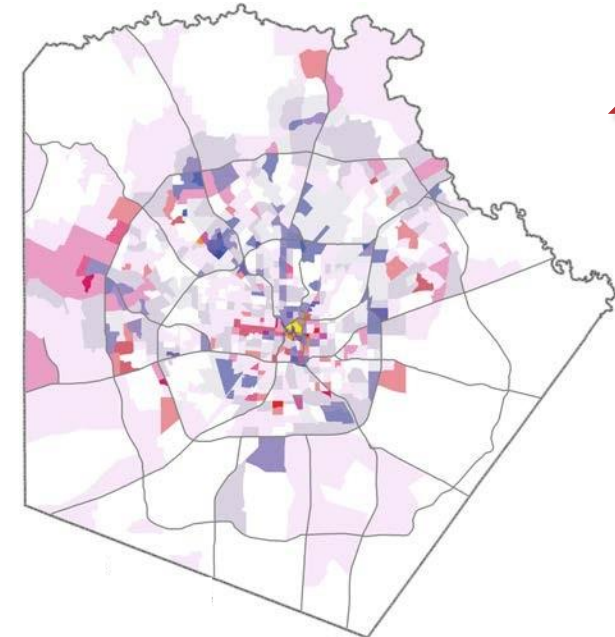

- Rapid Transit
- Universal Travel App
- Attract Federal Dollars

IMPROVE THE SYSTEM

Improve to Frequencies of 30 minutes or better

Increase System Coverage

+ 30%

100% of Precincts Reporting (302 / 302)

VIA Enhanced Public TRANS & Mobility Options

Candidate	Votes	%
 For	335,453	68%
Against	160,213	32%
